

1 Tabular Results

1.1 Preliminary results

Table 1 shows some preliminary results on friction considering dry, clean and lubricated surfaces.

Table 1: Table showing prliminary results

Static friction			Sliding friction	
dry and clean	lubricated		dry and clean	lubricated
0.15	0.111	steel on steel	0.14	0.001
0.19	0.1	steel on iron	0.18	0.001
