

1 Tabular Results

1.1 Preliminary results

Table 1 shows some preliminary results on friction considering dry, clean and lubricated surfaces.

Static friction			Sliding friction	
dry and clean	lubricated		dry and clean	lubricated
0.15	0.111	steel on steel	0.14	0.001
0.19	0.1	steel on iron	0.18	0,001
